

Hi Member

We want to make sure you still get the most out of Multiply during this time. We are boosting some rewards at our retail partners who are working during the lockdown so that you can support them – and get rewarded - when you shop for your essentials.

**Extra 3% in cashbacks**

Get an extra 3% in cashbacks from Pick n Pay, Dis-Chem and Clicks on top of your normal cashbacks percentage.

This is valid from 1 April to 30 April and will be applied to both in-store and online shopping. Please check directly with your nearest store for updated trading hours.

If you haven't activated your benefits yet, click on the logo to find out how:

**Weekly Wins**

Since Wimpy will be closed during the lockdown, we are changing Weekly Wins treats from 1 to 30 April to a R25 voucher at either Dis-Chem or Total.

- The voucher is valid for 14 days.
- It can be used in store and online for essential goods only.
- If the voucher is not used in full, no change will be given.

- The voucher is valid for 14 days.
- It can be used for fuel or at the Total Bonjour convenience store for essential goods only.
- It cannot be used at Café Bonjour.
- If the voucher is not used in full, no change will be given.

If you are giving the voucher code to the cashier in store, please take precautions when doing so. Rather read the code out to the cashier instead of giving them your phone to hold.

The process to earn Weekly Wins and receive voucher codes remains the same.

As we all learn and adapt during these times, we will keep you informed with regular updates but in the meantime, keep calm and stay safe.

If you have any questions, please email or WhatsApp us.
